ECZEMA CURED BY

IMPERIAL REMEDY.
Eczema is the itching disease that nearly affects one. Who is there that has ever had this terrible disease that would not give anything they possessed to be cured? It matters not how long you have suffered, what you have tried, or if every part of your body is an itching, burning sore, a permanent cure awaits you. Thousands have been cured by the use of "Imperial Remedy." Among them are people from every town and village in the south.
The instant "Imperial Remedy" is applied you feel relieved. This preparation has a pleasant odor, contains no grease or salve, and requires no bandages. It is a clean liquid which penetrates the pores, loosens the fibrous tissues and purifies the diseased parts. After the disease has all been driven out the skin is left pure, clear, soft and white, and the trouble will never return again. The price of Imperial Remedy is \$1 per bottle. Your local druggist can get it for you. If he will not, mail us \$1, and we will send you a bottle by express, charges prepaid. Imperial Medicine Co., Houston, Texas.

MEXICAN SOCIETY TO MEET HERE

National Convention of Alianza Hispano-Americana Opens Monday.

Delegations are already arriving for the seventh national convention of the Alianza Hispano-Americana, which opens in the Fraternal Brotherhood hall Monday morning.

The Santa Rita, N. M., delegation arrived this morning and delegations from the west are expected on the evening trains from Arizona, California, west Texas and New Mexico. Sunday the delegates will continue to arrive and when the first meeting is called to order Monday, 250 delegates and as many more visitors are expected to be present.

The convention will last during the entire week, closing with a trip to Chihuahua on board a special train.

The Chihuahua lodge will act as the host for the delegates who go to Chihuahua and excursions will be arranged to the places of interest in the Mexican state capital. Street car excursions and a parade of all the delegates and the El Paso lodge will be held through the El Paso streets before the convention adjourns.

The Alianza Hispano-Americana has a total membership of 4000, with 42 lodges in New Mexico, west Texas, Arizona, California, Chihuahua, and Sonora. While the lodge was originally intended as a fraternal organization for Spanish-Americans, a large number of Americans belong and the Alianza is among the strongest fraternal organizations in the southwest.

MEXICAN GIVES BOND.

Francisco Martinez, who has been under arrest in the federal court, charged with smuggling opium, was released today on bond, pending an investigation of his case by the federal grand jury. His bond was fixed at \$500 by United States commissioner George B. Oliver, and Martinez gave security for that amount this morning.

Always On Time Wins Respect

It has gained a reputation for our watches and clocks that we feel proud of. While we consider the movement the most important part of a watch or clock, beauty too, should be considered.

When you buy a watch of us, you know exactly what you are getting. We enjoy going with you, into the details of its making and material, pointing out its elements of strength or weakness if there be any—or showing you why certain parts should be scrupulously examined and perfectly adapted to meet certain wearing conditions. In other words you get the benefit of our expert technical knowledge and our persistently honest methods.

Such high grade watches as WALTHAM, ELGIN, HOWARD, and the renowned SWISS PATEK-PHILIPPE and GRUEN PRECISION watches are sold here.
